TERMS AND CONDITIONS

What We Will Collect. We will collect residential trash, green waste, and recyclables in carts we provide. You must place trash, recyclable materials, and organics in the appropriate carts. Materials placed outside of carts will not be picked up unless previous arrangements have been made.

When We Will Collect. We will make collections once a week between the hours of 6:00 a.m. to 6:00 p.m. on the same day of the week (Monday through Friday) each week. If your scheduled collection day falls on or after a holiday, collection will be delayed during the holiday week by one day (Friday customers will have their collection on Saturday). The holidays we observe are Memorial Day, Independence Day, Labor Day, Thanksgiving, Christmas, and New Year's Day. Should there be a permanent change in your scheduled collection day, we will notify you in advance. If we miss your collection, please call us and we will return to pick it up, without charge, on the same day if you call before 3:00 p.m. or on the next collection day if you call after 3:00 p.m.

Where We Will Pick Up. On your scheduled collection day, except if you have rollout service, you must place your carts at the agreed setout site with carts facing the street and 18 inches apart from each other. Handles and wheels must be facing the curb. If we agreed to collect on private driveways or pavement, we will ask you to sign a waiver of damage liability and/or indemnification. Carts must only be placed at the setout site for collection within the hours 5:00 p.m. on the day before scheduled collection and 8:00 p.m. on the day of collection or 2 hours after collection, whichever is later.

We Will Not Collect Hazardous Waste. State law prohibits disposal of hazardous materials and certain electronic devices in your carts. These include most paints, pesticides, petroleum derivatives such as motor oil and solvents. If these items are identified in your trash, your cart will be tagged and not serviced. For additional safe and legal disposal options, call (888) CLEAN LA or visit www.CleanLA.com.

How to Request Cart Replacement/Repair. We will replace or repair broken carts within 14 days of customer's request without additional charge. Stolen carts will also be replaced within 14 days of customer's request without additional charge provided the customer submits a police report. Otherwise, customer will be charged a fee as listed on the Rate Sheet.

Alternative Cart Size Exchange. We will exchange carts within 7 days of customer's request for alternative size cart once per year at no additional charge. Additional requests will be charged a fee as listed on the Rate Sheet.

Weight Limitations of Carts. The weight limit for each automated cart is as follows: 96-gallon cart = 336 lbs., 64-gallon cart = 227 lbs., 32-gallon cart = 122 lbs. If carts are found to be over these weight limits, they will be tagged and not serviced.

How to Receive Rollout Service. We can bring your carts out to the pickup point, at no additional charge, for residential customers who certify they are not able-bodied or are elderly (over the age of 62) and have no able-bodied person residing in their household. Rollout service will be provided to these customers during their weekly collection of trash, recyclable materials, and organics, as well as during the annual curbside clean-up event, holiday tree pick-ups, and additional on-call pickups. These services are also available to any other customer upon request at the charge listed on the Rate Sheet. We will ask you to sign a waiver of damage liability and/or indemnification prior to providing this service.

Difficult to Service. At a charge listed on the Rate Sheet, this fee is required for difficult to service areas, such as cul-de-sacs or hills, where automated collection vehicles cannot easily drive.

Christmas Tree Pickups. We will collect your Christmas trees placed at the curb on your regularly scheduled collection day during the period of three weeks following December 25th. You must strip them of ornaments, garlands, tinsel, flocking and stands.

Additional Customer Options Regarding Recyclables. Customers may donate or sell their recyclables to persons other than this waste hauler.

How Much We Will Charge. We will charge all customers the rates shown on the Rate Sheet for standard services and any additional requested services.

When You Must Pay. Residents are billed in advance for three months of services. We mail your bill on or after the first day of your billing period, for example, on April 1 for the billing period of April, May, and June. Your bill is due no later than the last day of the first month, for example, on April 30. If we do not receive payment by the last day of the second month, for example, on May 31, your bill will become delinquent and an additional 10% fee will be added to the balance. We may terminate your service if you do not timely pay your service fees. There will be a charge of \$3.96 for interruption of service if your carts are removed and a \$3.96 fee on returned checks.

Customer Termination Rights and Right To Self-Haul. You may terminate service without cause at any time by giving us a 7-day notice. You also have the right to self-haul your waste instead of subscribing to our service.
