

COUNTY OF LOS ANGELES DEPARTMENT OF PUBLIC WORKS

"SPECIAL PROVISIONS"

Subject to California Vehicle Codes 35784 & 35786

These provisions are attached to and made a part of Permit No. _____. This permit is void without attachments.

This moving permit is subject to the provisions required by County of Los Angeles Highway Permit Ordinance (Division 1 of Title 16, Los Angeles County Code), the Motor Vehicle Code of the State of California, or the Municipal Code and City ordinance of the City for which this permit is issued and the attachments.

In consideration of the granting of this permit, it is agreed by the applicant that the County of Los Angeles or the City wherein the permit work is to be performed and any of their offices or employees thereof shall be saved harmless by the applicant from any liability or responsibility for any accident, loss or damage to persons or property, happening or occurring as the proximate result of any of the work undertaken under the terms of this application and the permit or permits which may be granted in response thereto, and that all of said liabilities are hereby assumed by the applicant. Applicant further agrees that in case of damage to the highways by reason of these operations, to reimburse the County of Los Angeles or the City wherein the damage occurred for the cost of repairing or restoring the highways to their original condition.

MOVING IN INCLEMENT WEATHER. Movement shall not occur in snow, fog, rain, or wind when visibility is restricted to less than 1,000 feet (304.8 meters). Movement is prohibited when road surfaces are hazardous due to rain, ice, snow, or frost, or when use of tire chains is mandatory. In addition, manufactured housing shall not move when the velocity of the wind is such that it causes the vehicle being towed to whip or swerve from side-to-side or fail to follow substantially in the path of the towing vehicle. If inclement weather is encountered during the movement of the vehicle, it shall continue to move, using reasonable care and precaution to prevent traffic disruption, to the nearest suitable location to where the load may be parked until the inclement weather passes. The speed limit shall not exceed 25 mph or the posted speed, whichever is less, when moving to park at the nearest suitable location .

"This is to certify that I, as the permit or license applicant, am familiar with the requirements of County Lobbyist Ordinance - Los Angeles County Code, Chapter 2.160, et seq., and that all persons acting on behalf of myself have complied with and will continue to comply therewith throughout the application process."

DECLARATION OF ROUTE REVIEW

I declare that:

1. **Within the week** preceding the date of this Declaration, I, or the permittee I represent, have reviewed, in the field, the proposed route shown on the attached moving permit application dated _____, and found it acceptable to accommodate the height of the vehicle (including load) for which the permit is required.
2. I further declare that said review has indicated:
 - a. There are no bridges within the permitted route; or
 - b. There are one or more bridges within the permitted route and the driver will be instructed to look for, and to take appropriate action to avoid construction activities that might reduce the vertical clearance under any such bridge.

I declare that the following declaration is true and correct under penalty of perjury.
