RE: ALLOCATION OF PROPOSITION 84 GRANT FUNDS

Dear Mr. Efstathiou:

On behalf of the Watersheds Coalition of Ventura County (WCVC), we would like to thank you for your letter, dated April 24th, 2008, inviting WCVC to provide a proposal on the allocation of Proposition 84 funds for the Los Angeles – Ventura Hydrologic region. We believe continued dialogue is the most appropriate course of action and the most effective way for us to satisfy the expectations of the Department of Water Resources and justify the public's investment in our region's water resource needs.

At your suggestion, we will further refine our funding allocation proposal for your consideration. In addition, we would like to reinstate funding discussions with representatives of your IRWMP Group so that we can work collaboratively on a funding framework that reflects the needs of the entire hydrologic region. We would like to get together within the next 30 days and begin work on the details of a funding allocation plan. Please let us know your availability.

We look forward to working with you.

Sincerely,
